Youth . . . . . a time of  
probing life and of  
learning . . . . . a time  
for knowledge and  
a time for wisdom.

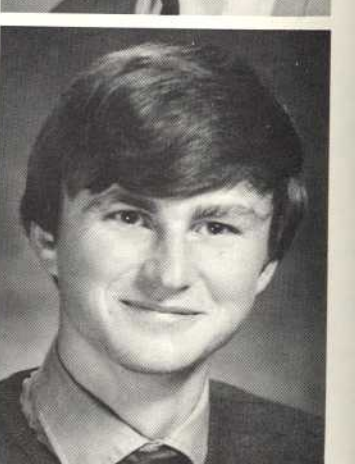

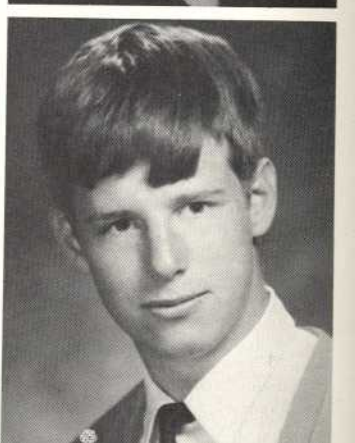

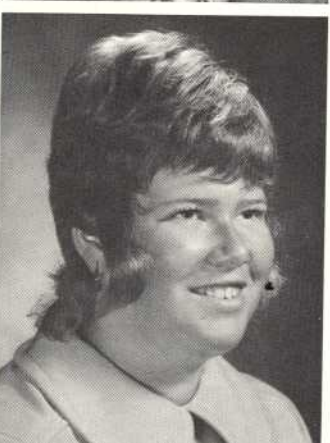

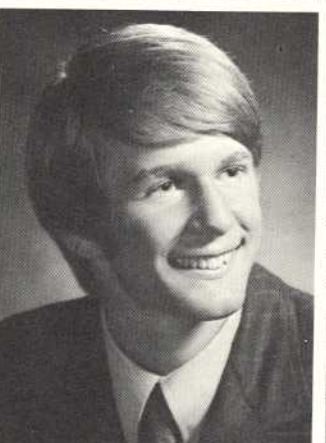

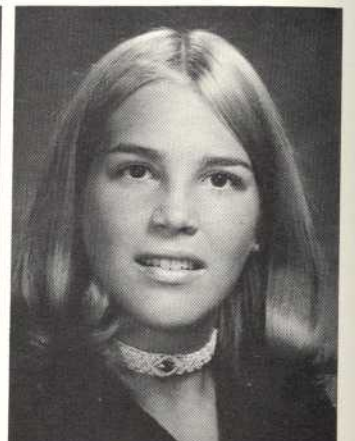

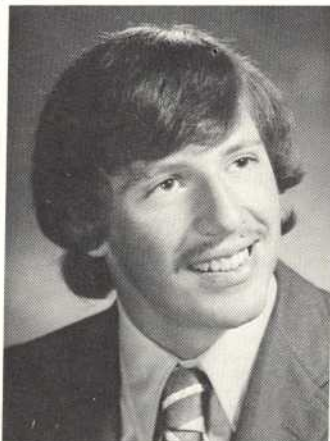

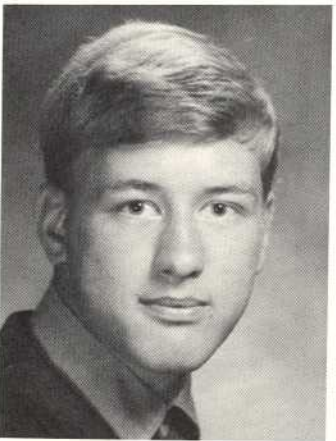

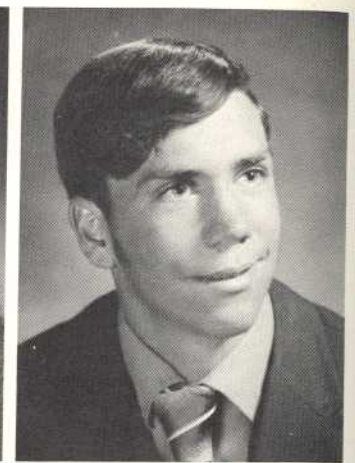

The seed of wisdom begins  
with the acquiring of wisdom and understanding.  
If you prize wisdom highly, you will be respected.  
If you love it you will be honored;  
And it will bestow on you a beautiful crown.

Know wisdom and instruction;  
Perceive the words of understanding;  
Receive the instruction of wisdom,  
Justice, judgement and equity . . .

Give wisdom to the simple,  
And give to the young  
Knowledge and discretion.

As the seeds of wisdom are sown, some fall on the path,  
And birds come and eat them.  
Other seeds fall on rocky ground with shallow soil;  
The tree springs up quickly but the hot sun scorches and kills it.  
Still other seeds fall among thorns, which choke the seed and kill it.

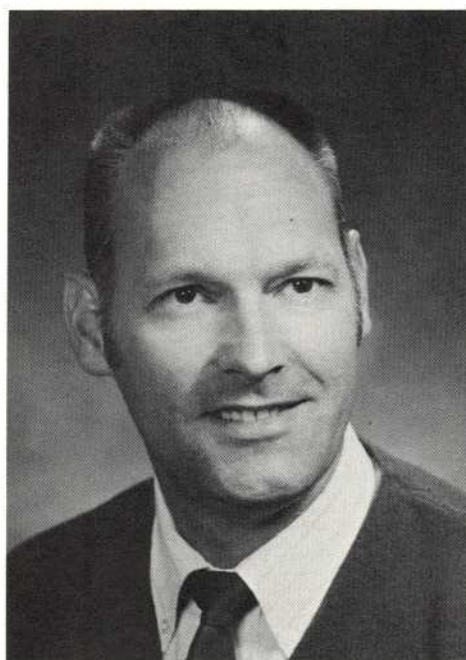

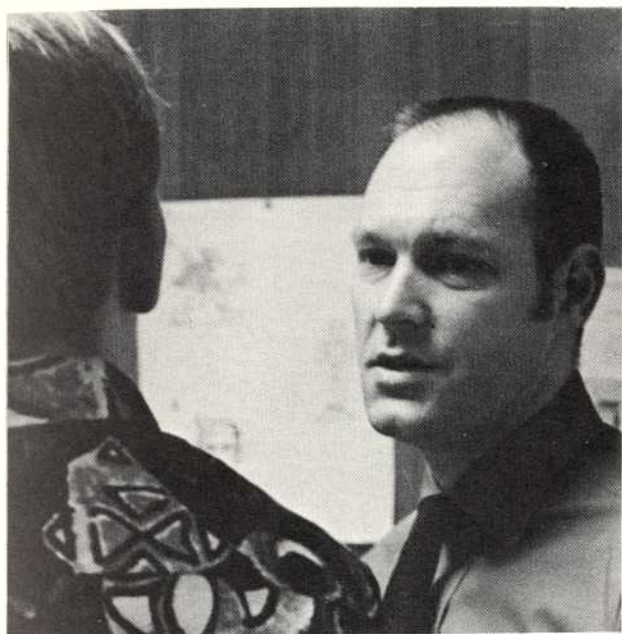

# ADMINISTRATION COUNSELORS FACULTY

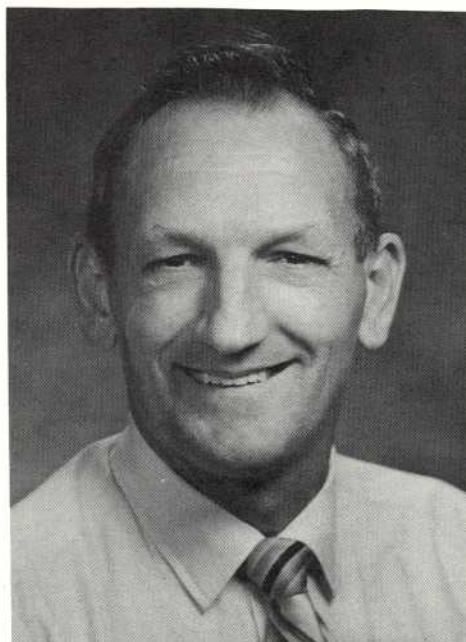

The purpose in a man's mind is like deep waters;  
A man of understanding will draw it out.

Listen to advice and accept instruction,  
That you may gain wisdom for the future.  
The happy man finds wisdom and gets understanding.

But some seeds of wisdom fall on good soil and . . .  
a beautiful tree begins to grow

This year's soccer team was one of experienced players determined to win. The team's enthusiasm was fed by Coach Randolph, leading them to a season of five wins, and six losses.

The special awards for the season went to Brad Cullen, given the Coaches' Award, and Tom Baker, who took home the Player's Award.

Dennis Greenlee, the team captain, felt it was a good season, and expressed his appreciation of Coach Randolph's help, saying, "The exuberance the team displayed was a reflection of the admiration they held for their coach."

The 1971 Girls' Swim Team swam ahead for Timberline, leaving their opponents floundering in the wake, and capturing the Southwest Washington District Championship. From District, the girls went on to place sixth in the state swim meet, with special help from Patty Crawford, the first triple winner in that meet. Timberline's 200-yard medley relay team of Crawford, Engdahl, Crawford, and Sheldon succeeded in breaking not only their personal record time, but also set a new state record.

The members of the Girls' Swim Team took home numerous ribbons and awards throughout the season, and Karen and Patty Crawford received special recognition in Sports Illustrated, December, 1971.

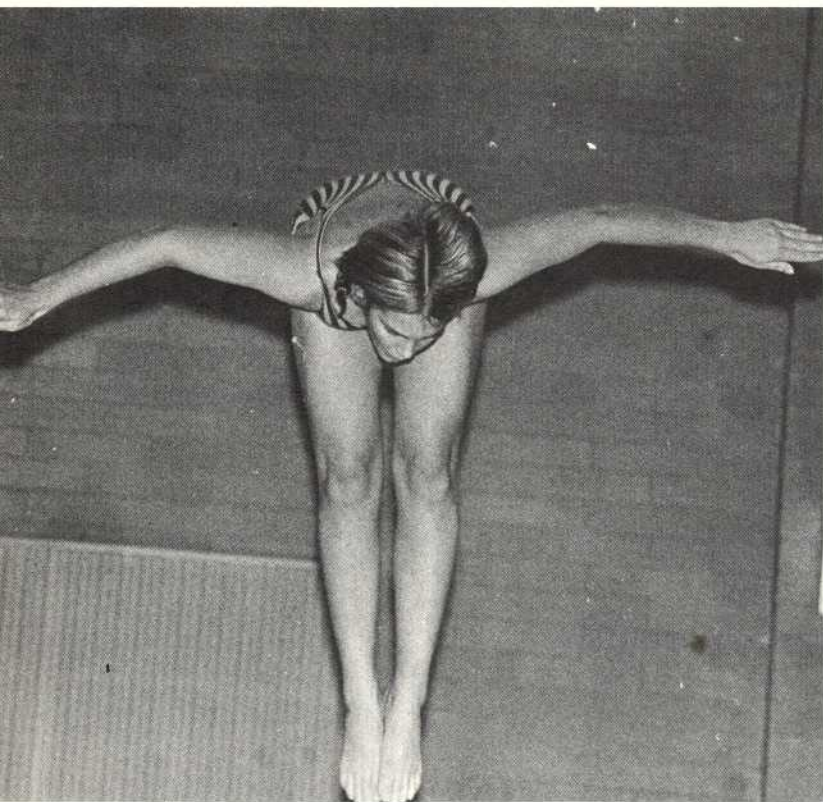

Thanks to plenty of hard work, dedication, and fine coaching from Mrs. Patton, the Timberline Girls' Swim Team has once again come out on top, and has put Timberline on the map, with fine performances from the whole team.

For the wealth gained from wisdom  
Is better than wealth gained from gold.  
And its rewards are better than silver.

This wisdom which makes a strong tree with deep roots is first . . .  
utterly pure, then peace-loving, gentle,  
approachable, full of tolerant thoughts and kindly actions,  
with no hint of favoritism or hypocrisy

## Blazers Go Fight, Win!

This year's Varsity Basketball team has been successful in more ways than one. With a fantastic season of 14 wins and 6 losses, the Blazers drove on to victory, displaying leadership and experience gained through many long hours of practice.

Halfway through the season, the Blazer squad suffered the loss of guard Stan Cole to a knee injury. The team paused only a moment, though, before the energetic sophomore, John Clement, took over where Cole left off, both in leadership and in inspiration.

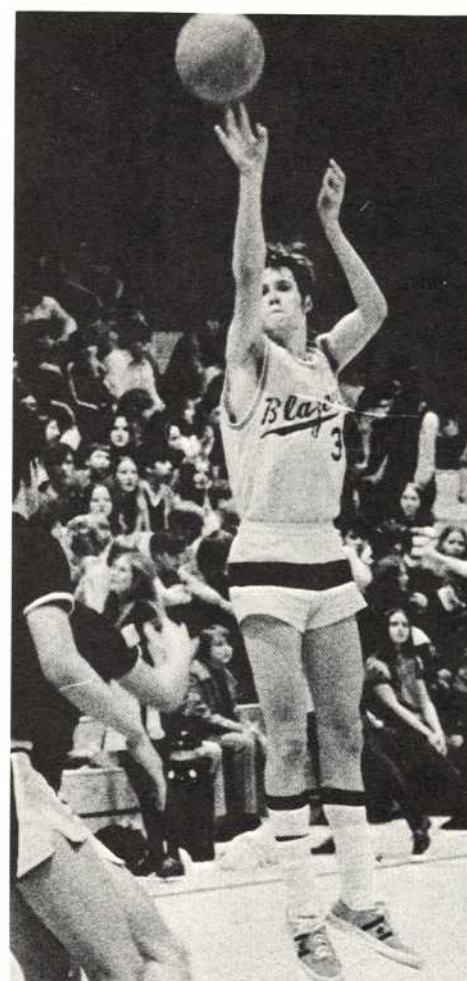

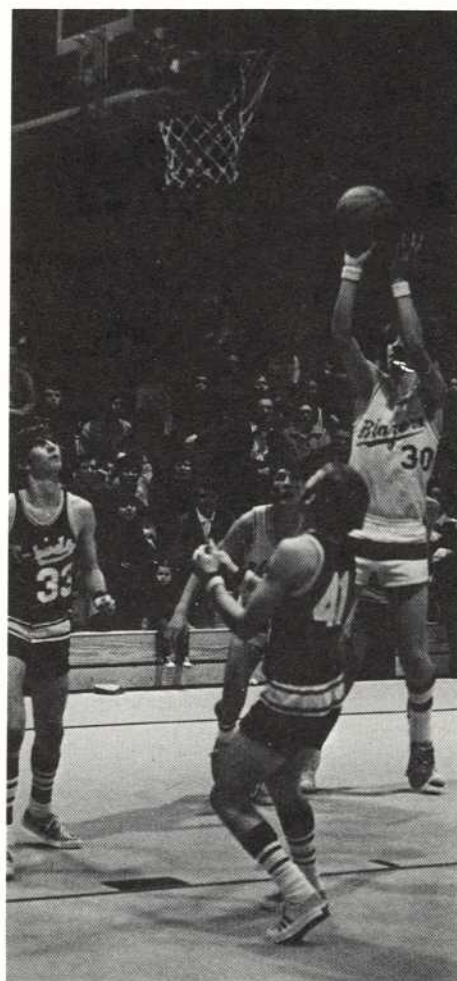

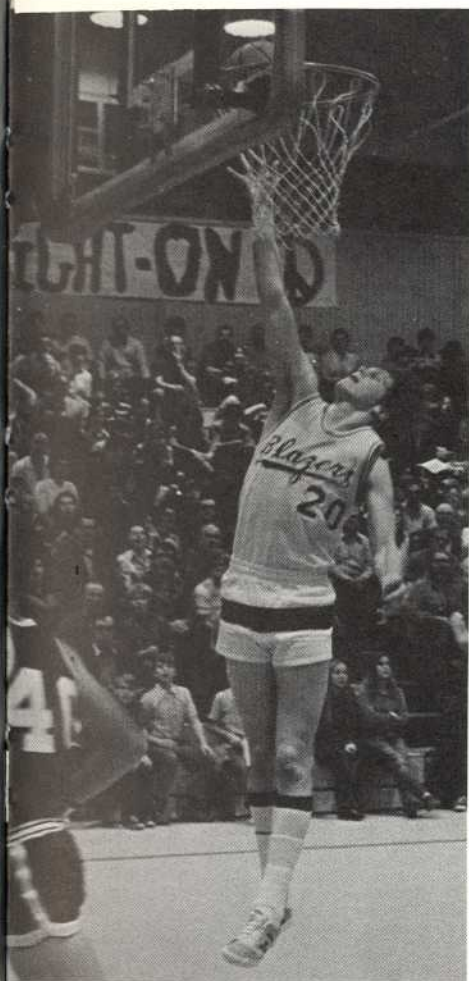

Greg Champlin led the Timberline team in scoring, making 53.5% of his shots. He was closely followed by Stan Cole, with a 52% average. Champlin also led in rebounding, with 90 offensive and 166 defensive, making a total of 256 rebounds for the season. Al Anderson came next, with 48 offensive and 91 defensive rebounds.

Besides all this, the 1971-72 Varsity Basketball team has helped to build a strong feeling of pride and unity in Timberline. The entire team worked together to produce exciting games, and at times, to thrill the crowd with breath-taking comebacks for victory. The student body was caught up and infected with the team's enthusiasm, and hordes of Blazer fans got together to cheer them on to victory, at every game, near or far.

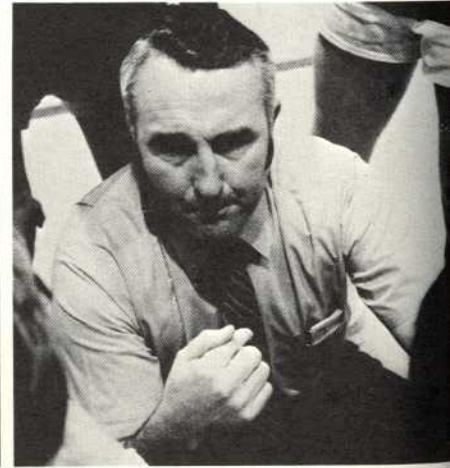

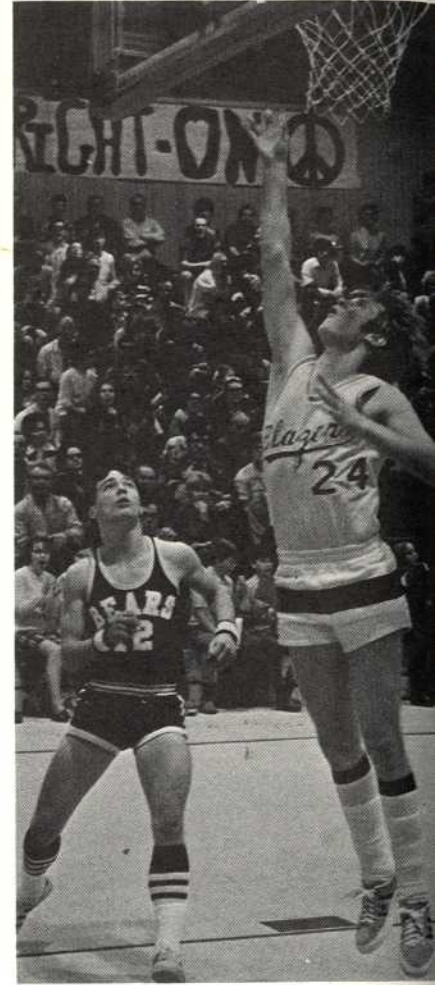

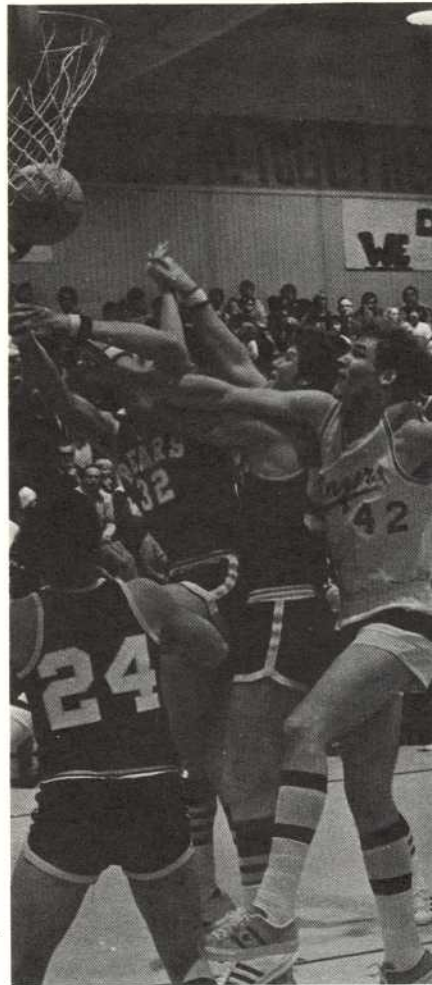

So, thanks goes to Coach McCallum and the entire Blazer basketball squad, for a very rewarding season ..... in more ways than one.

## Dance Team

Practice makes perfect, or so they say. Proceeding on this assumption and practicing an average of three nights a week, the 1971-72 Timberline Dance Team came very close to perfection, indeed. The efforts of the twenty-five energetic members were surpassed only by their performances at games and pep assemblies.

The team's advisor, Felice Moskowitz, did an outstanding job teaching the girls the movements and timing vital to proper formations. Miss Moskowitz was greatly appreciated by the team, and she said of them, "They really have done an excellent job, and I am truly pleased with them."

It is a typical morning at THS, when over the P.A. system comes the news that, "There is another winning team in Timberline!"

And so there is. Not only do we excel in such sports as basketball and swimming, the Varsity Wrestling team for 1971-72 set a record of 4 wins and 4 losses.

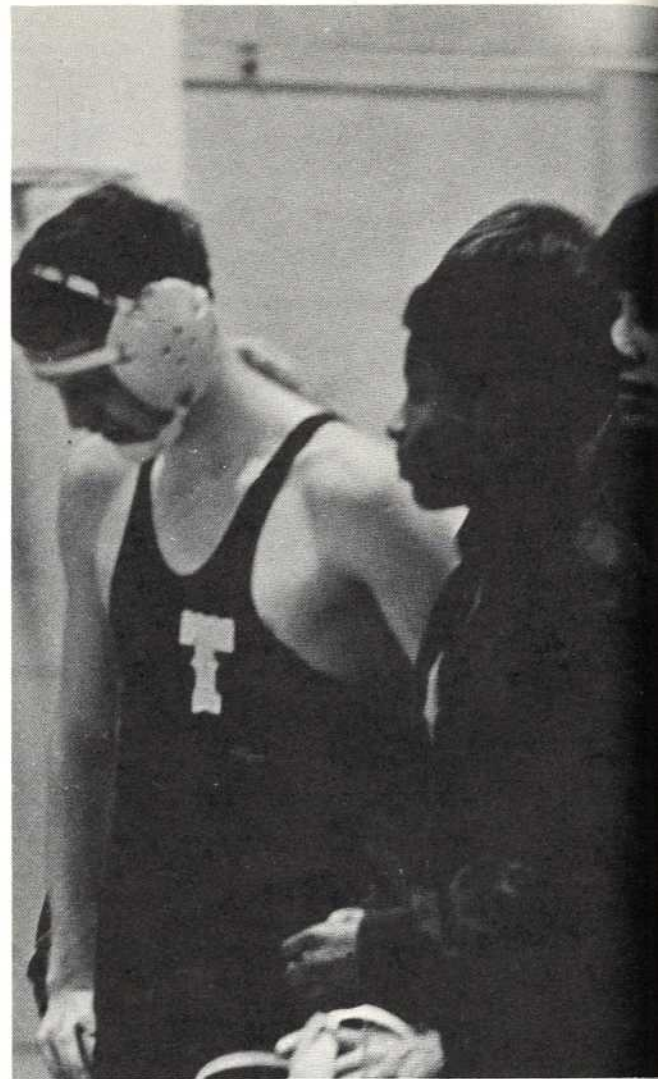

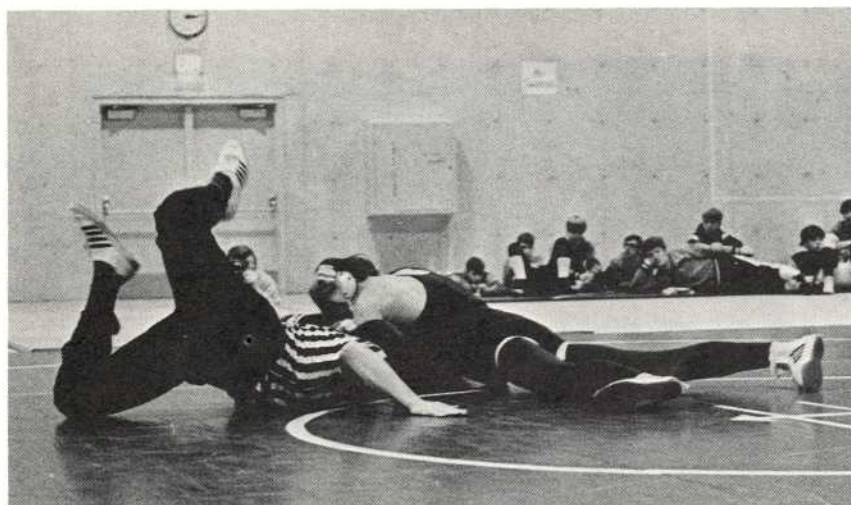

The entire team worked hard to produce an even season, and individual members knew victory at the regional wrestling meet, hosted by Timberline in February. Timberline proudly sent Pat Gammel and Joe Race to the state wrestling meet in Bellingham, Washington.

The coach, John Birbeck, felt the team had a good season, and was obviously pleased with their efforts, as evidenced by the sound of his voice coming through loud and clear, saying, "There is another winning team in Timberline!"

## Arms and The Man

The house lights dimmed, the stage lights came on, and the audience was transported back to 19th century Bulgaria.

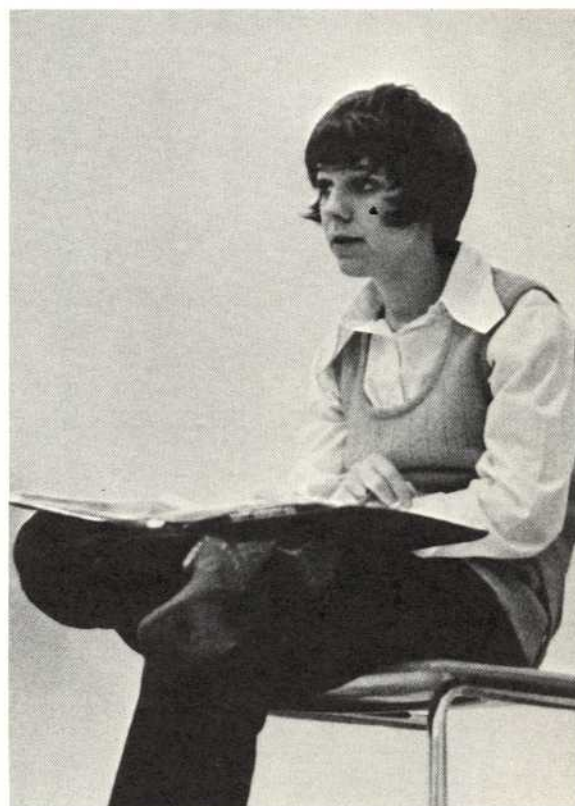

So it was in November, when the Timberline Drama Club presented the play, "Arms and the Man", by George Bernard Shaw.

The play, directed by Sheila Arbuckle, provided a good evening's entertainment, as well as a satiric comment on war and the professional soldier.

The entire cast worked hard to make the Drama Club's first production of the year a top-notch one, and they expressed appreciation for Mrs. Arbuckle, saying, "She's fantastic. We could never have done it without her."

## Pep Band

Who, during football and basketball games, and at pep assemblies, could be counted on to be there-rain or shine, sleet or snow, ice or floods? Timberline High School's Pep Band, that's who!

The 1971-72 Pep Band, directed by Dick Nye, put in many long hours of practice to liven up our games and add to our never-ending spirit.

## Stage Band

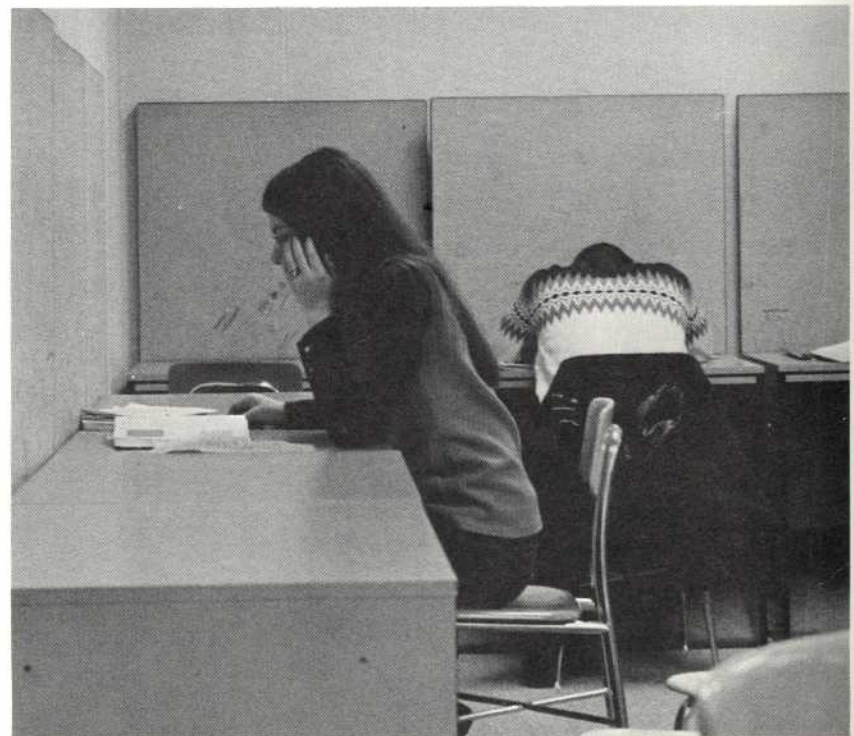

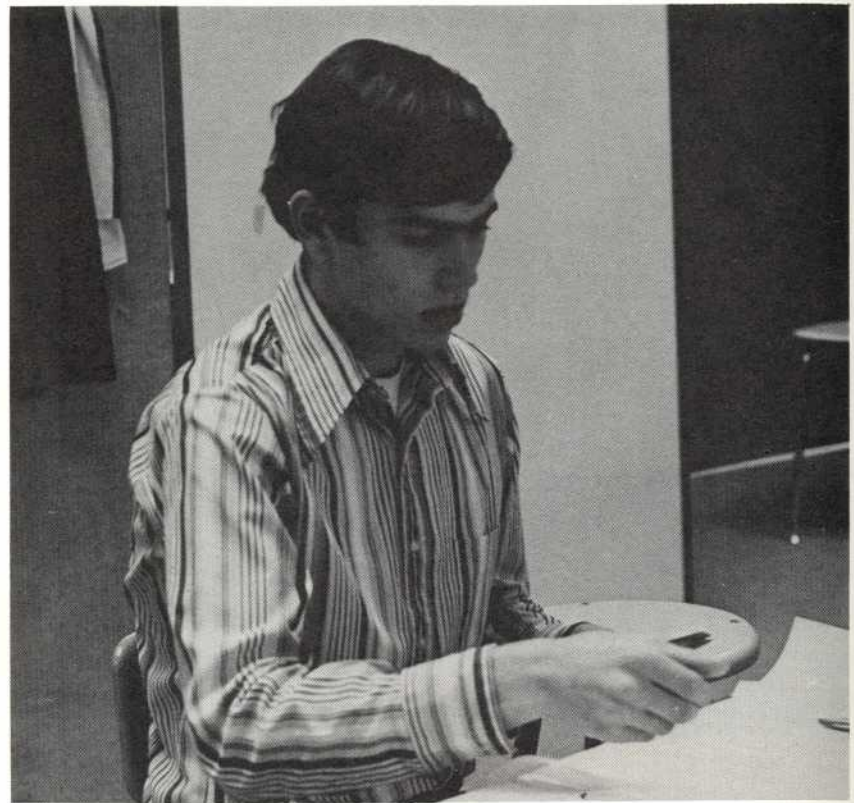

In the true tradition of Timberline, with innovative thought, and eyes fixed on the present and the future, the THS Stage Band was formed this year.

The Stage Band, composed of especially talented students, and directed by Dick Nye, performed at such events as the Father-Daughter Banquet, and PTSA meetings.

## Girls' League

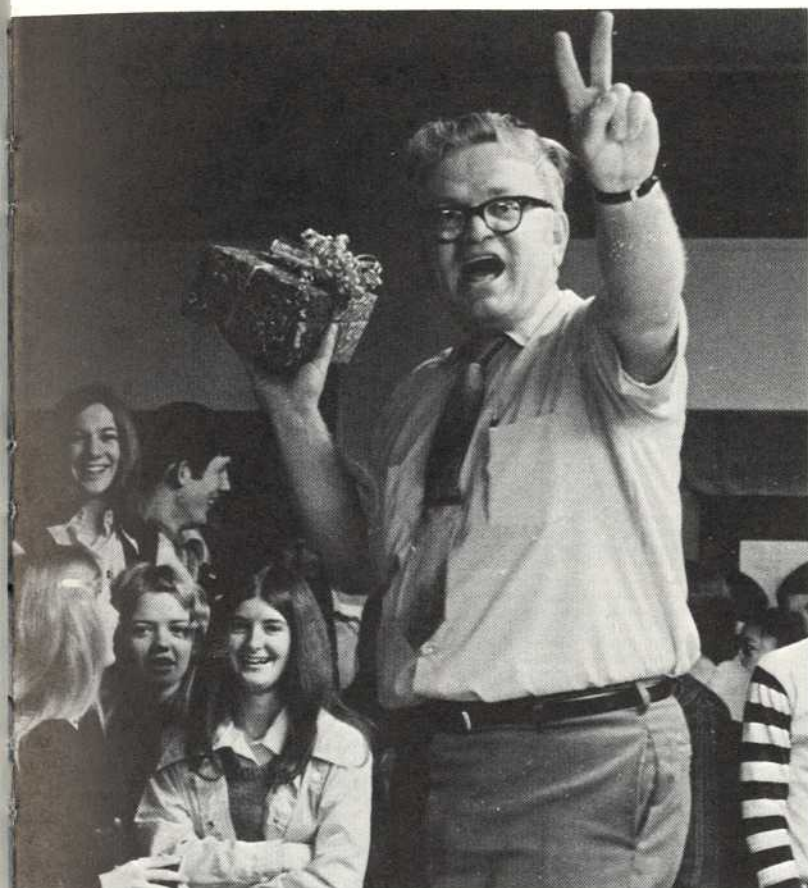

Throughout the year, the Girls' League met to discuss the problems of Timberline, in an attempt to solve them, and to plan the activities which Girls' League sponsored.

President Rita Stevens and Vice-President Kim Lathrop, among others, put in many hours of hard work to plan interesting meetings and help make such activities as the Father - Daughter Banquet, the Lunch - Box Social, and Tolo possible.

Another very active and much appreciated person was the advisor, Sue Shannon, who helped with all the activities and about whom the president said, "Mrs. Shannon is a person full of drive, pep, and smiles, to make Girls' League more exciting and fun to be a part of."

## Cairn Staff

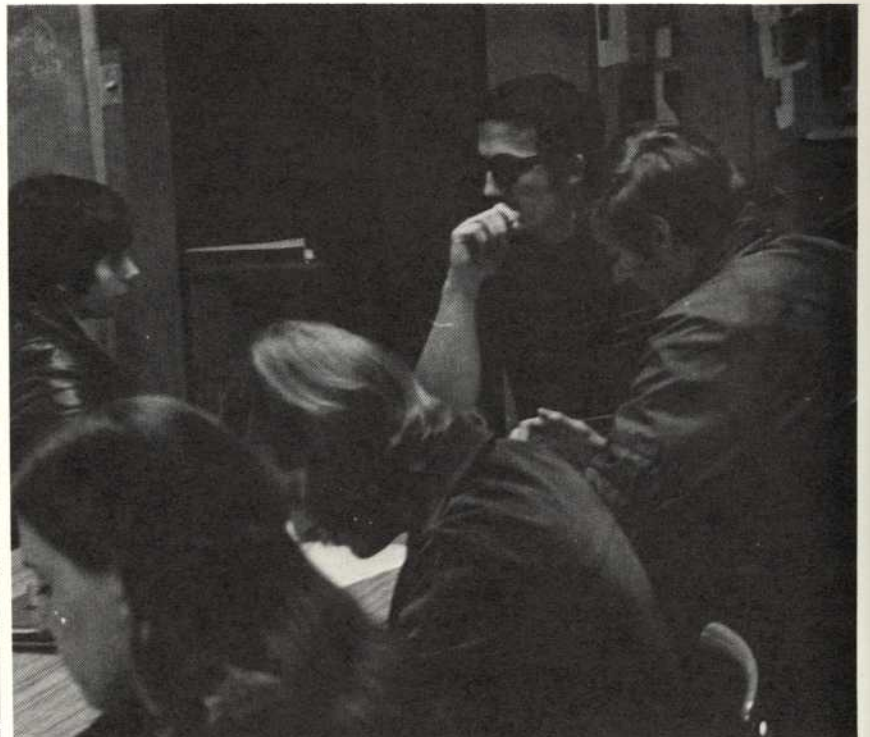

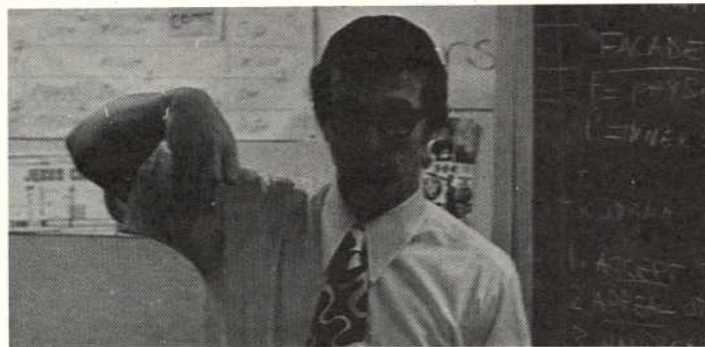

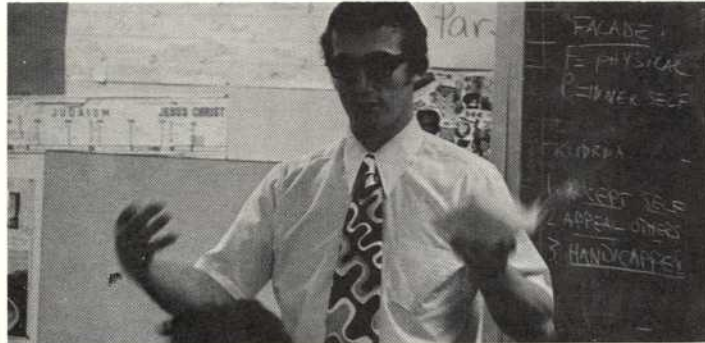

The truly wise man is a peacemaker . . .  
who quietly sows for a harvest of wisdom in other people . . .  
and in himself

When the years pass  
only faded snapshots of things gone by are left

Some things though, remain surprisingly clear...

So...he will always be

For I know that I will long remember the helping hand that reached down for me...  
the one who always had the time...

when others had none to spare

His humor, honesty, and respect for people, no matter who they were,  
cannot destroy, only build the mountain on which he stands

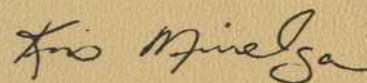

But pinacles of success are not always measured by material things  
but are gauged in the hearts and minds of men

And the results are not always readily seen

But I know that I have reaped some of the wisdom that he has sown in my soul  
and I can only hope it will remain for the rest of time

For this man is not only a teacher...

But an understanding friend

Editor

This year's Timberline Cairn is dedicated to such a friend...

## Summer Is . . .

The summer of '72 meant many things to many people. It was going barefoot in the sand, and catching butterflies in mid-air. It meant football games and camping trips, and vacations to exotic and far-away lands. It was summer jobs and new friends, and so many other experiences.

But before the summer came the spring. So, first a look at the Spring of 1972.

## Spring Is . . .

Spring is a time of growth and new life. It is the awakening of the earth after a long winter's slumber. It is the sun reflecting fair promises of summer.

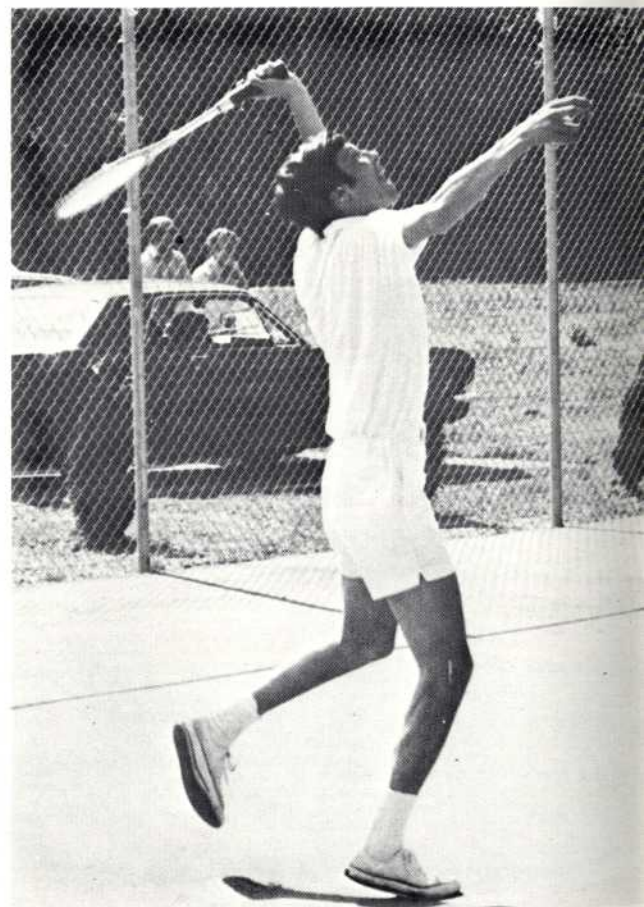

For the students of Timberline, spring is all these things, plus the challenges and opportunities they bring. The Spring of '72 meant feelings of abandon and freedom, mixed with pensive moods and responsibilities.

The Spring of '72 brought May Dance and Move-Up Day, and Graduation. But before these things came the challenges, the tensions, and the triumphs of the Spring sports season.

To begin with, spring signalled strenuous practice and close matches for the Boys' Tennis Team. Beset by bad weather, the season was not as successful as the team had hoped, but many outstanding individual matches were played.

The Tennis Team appreciated having home courts for practice and matches this year. Pictured on the court are, top row, left to right, Coach Kycek, Bill Uffman, Ray Krueger, Jeff Martin, Ernie Sanborn, and Bruce Undhjem. Kneeling, left to right, are: Mark Hunter, Mitch Vernon, Brett Carey, Jeff Bostick, Tim Strong, and Ron Howell.

## Putting Along . . .

Under the terrific guidance of Mr. Parsons and Mr. Fiser the 1972 Golf Team gained great status this year by qualifying for the Black Hills League Sub-district play. Although the team did not qualify for the district match, several good individual games were played. Special mention goes to the four top golfers, Kent Potts, Steve Ruesegger, Don Wohlers, and Dennis Grimes, as well as freshmen Mark Sheppard.

Coach Parsons and the entire team were very appreciative of the Capitol City Golf Course and its management.

Front row (l-r): Mike Madden, Bruce Gilbert, Don Wohlers, Mark Sheppard, Second Row (l-r): Jeff Noren, Kent Potts, Jess Loes, Coach Fiser.

The Frosh Baseball Team finished with a three win, four loss record in the 1972 baseball season. Although they were down one game, the players feel they improved greatly and can look forward to a successful season as J.V. players in 1973. Special mention goes to Tom Fite and Larry Coombs, award winners for outstanding dedication and improvement.

Front row (l-r): Steve Dolan, Bill Bryant, Mark Benn, John McGuire, Bob Wibbles. Second Row (l-r): Roy Hyatt, Jerry Baker, Bob DeWitt, Mike Platz, Tom Fite. Third row (l-r): Manager Brian Ziggler, Gary Hughes, Larry Coombs, Mike Kosoff, Bob Brigham, Jim Deller, Coach Burmester.

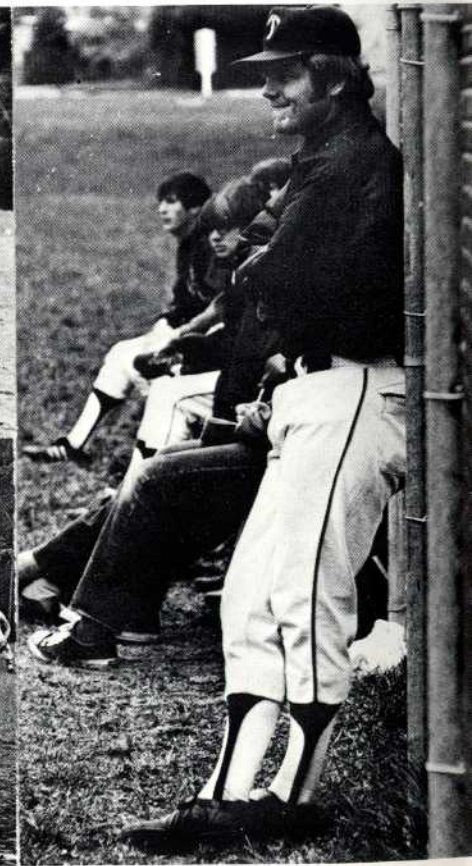

# Varsity Baseball

The Spring of '72 was to be a long, hard season for the Blazer Baseball Team.

Playing up to four games a week, in mud and almost continual rain, the squad finished the season with a record of nine wins and twelve losses in Black Hills League competition.

Three of the Blazer players, Roger Horton, Greg Bennett, and Stan Cole, won places on the all-conference team. Stan Cole played so well on that team, he was then selected as part of the all-State baseball team.

Coach Webstad felt that although the season score showed the Blazers down three games, individual players' improvements were countless, and the team made a fine showing.

## Spring for the . . .

Spring for the Frosh Track Team was a season of victory and personal triumphs. They had a truly fantastic season, with five wins and no losses in league competition. Their winning streak did not stop there, but the team continued to take first place in both the sub-conference and conference meets.

Some outstanding players on this outstanding team included Russ Armstrong, the conference champion in the discus and the shot-put; Jay Cabiao, the conference winner of the long jump and the high jump, and the recipient of the player's award; and Rudolpho Apostol, the conference champion in the 120-yard low hurdles race. Gordy Esborg ranked second in the conference for his pole vaulting, and Ken Harjo, the winner of the coach's award, was the team's best mile runner.

## Girls' Track

With a season of five wins and one loss, the Girls' Track Team made remarkable improvements over last year's team. Not only were great strides made as a team, but individual excellence was stressed as well. Their hard work and determination paid off when the team was selected to compete in the semi-finals at the state track meet.

# Varsity Track

In every sport, starting each new season, there is a unique tale to be told. The story of Timberline's Varsity Track team was a story of success. Not only did the squad succeed as a team, but many individual improvements were made as well. To succeed as an individual and also as part of a team is the characteristics that makes track and field events so exciting.

With a season record of eight wins and two losses, Timberline placed third in the Black Hills League competition. A total of thirteen previous THS track records were broken, many by great margins.

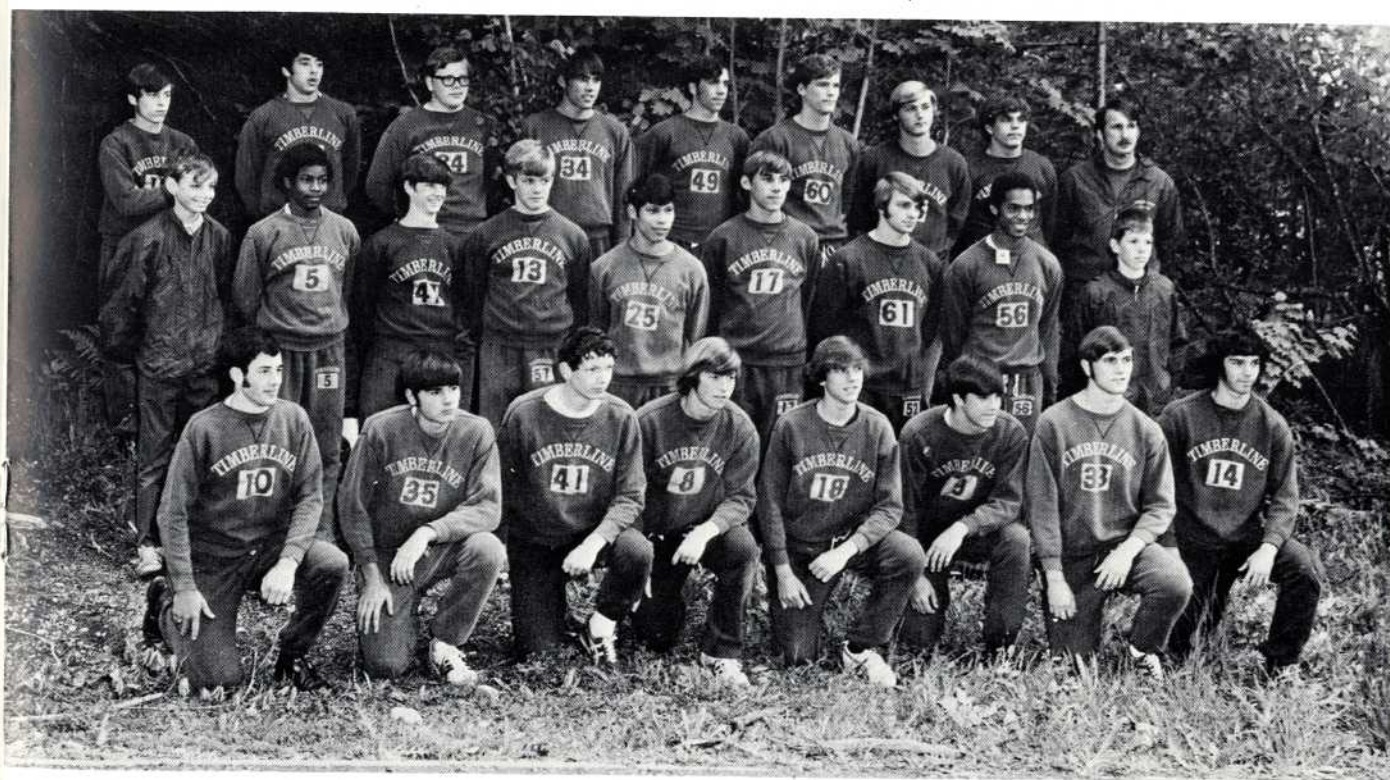

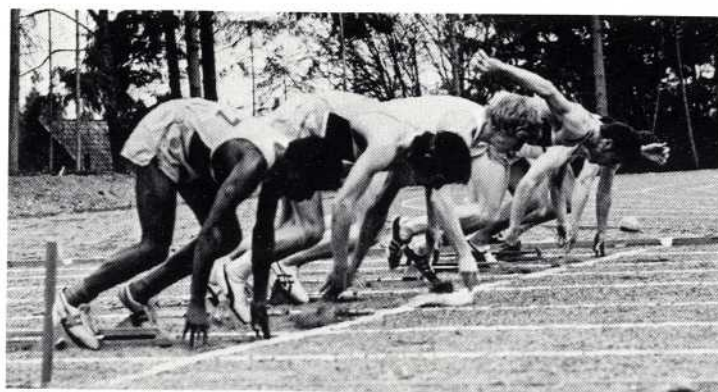

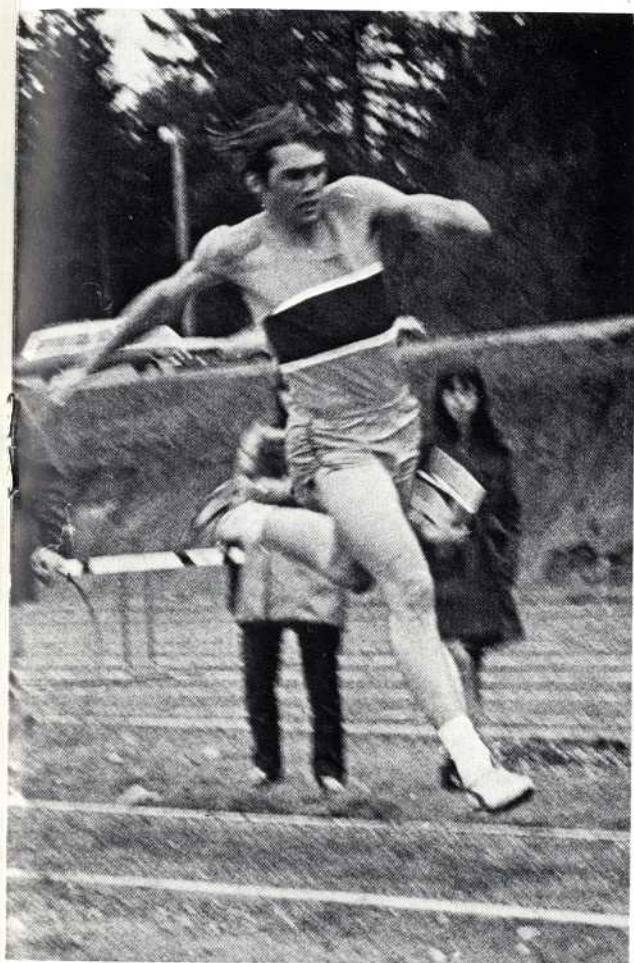

The team went on to place ninth in the state track meet, with the help of some outstanding athletes. Greg Champlin leaped to first place in the long jump, the relay team of Tony Moreno, Greg Champlin, Will Kimbrough, and Bill Richmond placed fifth, and Dwight Midles, though suffering from strep throat, threw the discus to place in the meet.

Thanks to dedication and hard work, the season for the track team ended as well as it began.

## In the Cafeteria . . .

Pink and white roses, ivy, and a shimmering water fountain transformed the Timberline cafeteria into an enchanting garden. Such was the scene of the first annual THS May Dance. The efforts of the dance committees did not go unnoticed as the couples walked down the stairs with all the elegance of a cotillion. A live orchestra was present, providing music and adding to the atmosphere of a ballroom.

The theme of "In the Garden" made it an evening to remember for all those who attended the May Dance.

## ... A May Garden

Dressed in their finest formals and suits, the May Court presided over the affair. Above, dancing, are king Scott Van Antwerp and queen Deb Hamilton.

## Seventy-two

One of the most exciting and joyous happenings during the close of the 1972 school year was the assembly on Move-Up Day. Although bad weather and an extended school year brought on boredom and a listless feeling throughout the school, move-up day gave back spirit to the student body.

On this day seniors became graduates awaiting commencement, and the underclassmen moved into their new positions for 1973.

Seemingly intoxicated with the joys of freedom, the seniors rushed to their rightful positions in the center of the gym.

The juniors were cued to take their place, and on down the line, until just one space remained, awaiting the incoming freshman class.

The move-up day assembly also provided time for the recognition of outstanding individuals in both the senior class and in the faculty. Two faculty members awarded for their dedication and service to the students of Timberline were Chad Kerrihard and Becky Downey. Ten seniors were recognized for their academic excellence. From numbers ten to the valedictorian, tops in their class were: Steve Ruegsegger, Deb Jasper, Susi Falck.

# Coming Through!

Greta Wigren, Ray Krueger, Scott Van Antwerp, Stan Cole, Duane Klotz, Roger Horton, and, number one in her class, Jan Kraus.

Seniors voted into the 1972 "Hall of Fame" are shown soon after the announcement was made naming the biggest flirts, the brainiest, class cut-ups, the peppiest, the friendliest, and the most likely to succeed out of the class of '72.

Move-Up Day was only a prelude of more recognition that was to come for Nancy Thorne, Timberline's Lakefair princess, and the Capitol City Lakefair queen.

Several speeches were made commemorating special events of the school year, as well as the routine events (as evidenced by Mr. Parsons' "Come to the office"), and the senior class president, Scott Van Antwerp, gave his farewell address to Timberline.

Susi Sinclair, chairman and coordinator of Commencement as well as move-up day, had to be admired and appreciated for her efforts that produced the most unique and enjoyable assembly of 1972.

## Your Children . . .

Your children are not your children.  
They are the sons and daughters of  
Life's longing for itself.

They come through you but not  
from you,

And though they are with you yet  
they belong not to you.

You may give them your love but  
not your thoughts,

For they have their own thoughts.

You may house their bodies but  
not their souls,

For their souls dwell in the hours  
of tomorrow, which you cannot  
visit, new even in your dreams.

You may strive to be like them, but  
seek not to make them like you.

For life goes not backward nor  
tarries with yesterday.

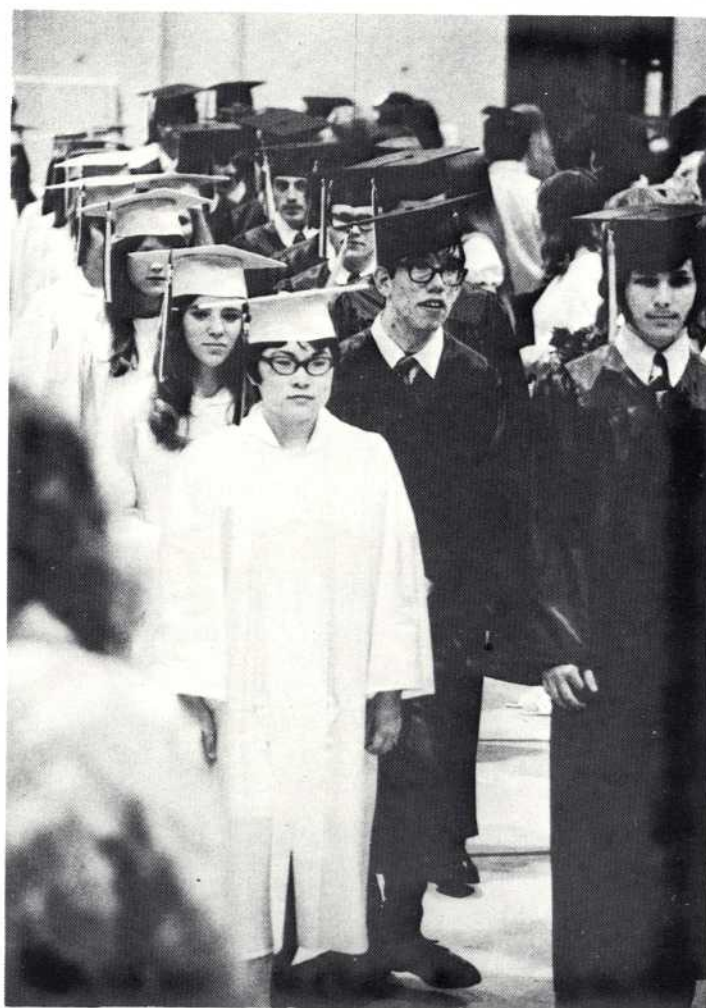

You are the bows from which your  
children as living arrows are sent forth.

Although many events and activities of the spring of 1972 have been recorded on these pages, the first commencement ceremonies must have been the most unique, the most emotional event. For the students, the parents, and the teachers present, Graduation represented the efforts of an unknown number of people involved in developing youth with all its energy and potential, into sensitive, rational and aware beings. Graduation was not a ritual of the establishment, its sole purpose being to distribute a piece of paper. The emotion, the joy, and sincere love evident is proof alone.

**... are sent forth from an end  
to a beginning**

The school year of 1971-1972 was one of joys and sorrows, victories and defeats, enthusiasm and boredom. There were class projects and team sports, films and plays, lectures and individual study.

Fall brought the confusion of the new year and the determination of the Blazer athletes. The soccer and cross country teams learned that diligence has its rewards and the frosh football players and the girl swimmers showed talent as well as self-discipline.

The winter of '72 was a long, cold one, but Blazer spirits could not be dampened. The cheer staff and the dance team added to the thrill of a very successful basketball season, and all three wrestling teams (Varsity, J.V., and Frosh) showed that they were not to be outdone.

Drama Club, one of many active student organizations, livened the winter months with fine performances of "Arms and the Man", and "The Crucible."

Timberline's music department kept busy with concerts and special projects such as the pep band and the stage band.

The Girls' League and the Boys' Club sponsored many activities, including a Father-Daughter banquet, and intra-mural basketball games.

The Timberlog staff worked hard to publish a monthly paper for the information and enjoyment of the student body.

Friendships were founded and people helped each other, student and teacher alike,

Spring brought no overnight change for the good in the weather but the season could be felt present in the atmosphere at THS.

Struggling through almost continual rain and ever-present mud, three Blazer track teams dominated Black Hills League competition. The Frosh team swept not only league meets, but also took first place at their conference meet. The Varsity and the Girls' teams both made good showings at their state track meets.

As the school year came to a close, special events such as May Dance and Move-Up Day kept the school united, and it was a very emotional moment when the nearly 200 members of Timberline's first graduating class donned their caps and gowns for their final promenade in the gym.

And, through it all, both students and staff gained more education, finding for themselves new knowledge and an appreciation of the crown of wisdom.

It Was A Very Good Year
